**PHOTO RELEASE**

Dear Parents,

As you know, when your children work on lessons or participate in special events, we have many great photo opportunities. We would like your permission to use photographs taken during class time, special events or celebrations to post internally in classrooms and hallways.

Spring Valley Montessori Academy also uses photographs of children for publicity purposes. We promote our school using brochures, our website, and other types of promotional materials. When photographs are used for publicity purposes, children are never identified by name. All photos used for publicity will be available to parents to review upon request. In addition, parents reserve the right to request that any photograph not be used for publicity.

Please sign the permission slip below to indicate your preference for photographs.

I DO / DO NOT (PLEASE CIRCLE) give Spring Valley Montessori Academy permission to use photographs of my child, taken during class time, playground time, and school functions. These photos will only be used internally and will be posted inside the classroom. I also understand that all photos will be available for review if I should request to do so.
